

Constanza Carrera

Investigadora María Zambrano

Datos personales

Categoría: Investigadora María Zambrano

Area de conocimiento: Agronomía

Dirección: ETSEA, Edificio Principal A, despacho 0.6.4

Teléfono: +34 973 702830

E-mail: constanza.carrera@udl.cat [mailto:constanza.carrera@udl.cat]

Formación Académica

- Doctora, Universidad Nacional de Córdoba, Argentina, 2011
- Ingeniera Agrónoma, Universidad Nacional de Córdoba, Argentina, 2006

Experiencia Profesional

- 2022 – 2024. Investigadora María Zambrano del Departament de Producció Vegetal i Ciència Forestal de la Universitat de Lleida.
- 2018 – presente. Investigadora Adjunta de la Carrera de Investigador Científico i Tecnològic del CONICET (Consejo Nacional de Investigaciones Científicas y Técnicas)
- 2014 – presente. Investigadora del Instituto de Fisiología y Recursos Genéticos Vegetales (IFRGV), Centro de Investigaciones Agropecuarias (CIAP), del Instituto Nacional de Tecnología Agropecuarias (INTA).
- 2015– 2016. Profesora Ayudante A con dedicación simple en el Departamento de Producción Vegetal, Universidad Católica de Córdoba.
- 2010– 2011. Profesora Ayudante A con dedicación simple en el Departamento de Recursos Naturales, Universidad Nacional de Córdoba.

Investigación

Mi área de interés es el estudio de las bases ecofisiológicas determinantes del rendimiento y la calidad de los granos de los cultivos. Principalmente interesada en la interacción genotipo x ambiente y en comprender los mecanismos involucrados en las respuestas de los cultivos a estreses abióticos (déficit hídrico y estrés por altas temperaturas) a niveles celular, de planta y del canopeo.

Publicaciones Recientes

SCOPUS Author ID: 26648004000

Orcid code: 0000-0002-8959-9069
